FRIDAY. MAY 23 1856.

The Daily Journal has much the largest circulation in the city and double the circulation in the country of any New York City, and in Albany, so is it in other amaster Catholic. other daily paper printed in Louisvile; and the Weekly Journal has much more than double the circulation of all the

tion of Great B itaio and various Eu opean to icus and compel a compliance with their de

gues 200 " the introduction of distinc- bat, f need or, ster iv, th evi ent and pressing necessity of tore of men

their wise and patriotic cotemporaries is rapid. Donelson, and, in November, they will cast their have to submit to such changes and revolutions ly approaching. The great evil which they so votes for them. that Americans should rule America. With The fiercest animonity it a couten ing against ta' President Frence shiuld do "a deed ci native-born c izees of the country. It suc. mindered all their American captive? to embroil this country in in erminable ware with the allied monarchies of all Europe tions who do not yet know how to enjoy it, and have no idea whatever of self-goveroment, but it wil establish at once a most terrible and hideous procuptor and persecution of native-born citizens. The inscience of this triumpant foreign party toward the Americanborn will be intolerable. The doctrine, toward which the Sag-Nicht party is rapidly tending, that none but foreigners shall be engible for ofaces of honor, trust, and profit, will be adopted

their foreign-born task-masters.

This is no faccy sketch. The outrages con mitted upon native-boro citizeos by the fore last tweve months, the declarations an i avowaof the boldest of the leaders of that party, and the unerring leasons of experience which may be found in the lastory of the pas' and the present abow with too and certainty that soch will be the inevitable result of the success of the fe to time, to present to our readers facts sufficient half enumerated the horrors of a Sag-Nicht tri umph in the approaching Presidential contest
Not only every native-born but every natural zed citizen, who expects to rear up a family our midst, who hopes to transmit to his children

51 co. Country.—The last Democratic convention to Catholics that had been openly in favor of our candidate turned against him. The number-

In Chicago not less than twenty of the city by remembered by all politicians. The great bority, are Roman Catholic Irishmen. We mind over myriate of other minds. Where the seen a list of the officers, and the bare eading of the Celtic names is enough to make York or a' Rome, we profess not lo know, bu

a countrymen in all manner of outrages, ly evident to all who gave the less considers ing American el'zens upon the head on the ower. The New York Express says: "When bimself was undoubterly induced to belie the opponents of the American party at the Highes had called upon him In New York and

and any desired the protestant Epiacopal church may be witusesed this morning at St. John's Church, on
Jefferson street. Mr. J. M. Curtis le to be ordained a deacon. The service will commence at 10 o'clock. By appointment of the bishop, the Rev. Dr. Page will preach the sermon. This loquent divine, after an absence of reveral years in the South, has returned to our city, where he intends to reside permanently. His rous warm friends and admirers have or-ed a new parish, of which he has been in.

The St. Louis Republican of Therday says ganized a new parish, of which he has been in-

destpps, arrived at Portland with his family on board the Piagara. He arrived pretty early at night and wished to come at once to Louisville. After considerable affort to engage conveyances, he contracted for two hacks and a bagrage-wagon to come to Louisville for twentyour dollars-the very best that he was able to do. He soon found, however, that he was left n the lurch, the backman, whom he had en gaged, having found another customer or other ustomers from whom he could extort a still

travel by the route to the East again, to b objected to such infamous extortion between Portland and Louisville. Hundreds of other have declared the same thing. The villain of the hackmen are driving travel from u to the utmost pena ty of the law. It is highl r'ant to the interests of our city that h should be. We published the ordinance yester

The meeting at the Merchants' Exchange night was the largest and most enthuthat ever has been convened in Louisville for chanics, property owners, and professional men esting report was made by Edgar Needham. Eeq, chairman of the committee on manufac-tures, and resolutions were adopted and several peeches were made. The interest manifested omises entire success in the attainment of the bject for which these meetings have been called. After various resolutions had been adopted the meeting adjourned at a very late hour without having finished all the business that was expected to have been brought before The late hour at which the meeting ad ed precludes the publication of a full rea port of its proceedings this morning.

of \$40. He had been drinking \*reely during Nashville University, with an additional salary the day, and while under the influence of lique a fellow passenger pretended great friendship ered by bim during term time. for him and took him in charge. On the follow-\$40. He at once suspected his "friend," and Search was made for him on the boat, and he was finally found by one of the cabin boys be- fore in this country for many years. It cannot tween his matresses in his berth. He was taken on deck, atripped, and the money, correspond was found in one of his boo's. At the first wood-yard, about 125 miles below this, he was taken ashore, with a bucket of tar and a pillow tar and feathers himself from the neck down this condition he was left by the boat.

DROWNED -We learn that a negro man b bathing in the river near the naw-mill or Wednesday night. His clothes were found or the river bank. Search has been made for hu

Eleventh — An ordination will take place in this church this morning. There will be service at 9 o'clock. Sermon by Rev. Dr. Page, and ordination service at 100 o'clock.

Br. John's Church — An ordination will take place in this above circumstances, and they have all to lose and anothing to gain by a persistance in the quarrel which led to the withdrawal of the dination service at 100 o'clock.

Brooks bad cessed the attack.

Completing the page and ordination are considered to the withdrawal of the dination are considered to his room. It is not been ascertaized to his room.

When the attack was made Mr. Sumner calling the constant of the dination are considered to his room.

than those of organ brits. The second of the closest observer to detect them. He is the best ventriloquist we have ever had here, and will make a stoic laugh. His performances with the canary birds are astonishing. Mr. Blitz gives an afterneon exhibition and also one after night.

forment in the penitentiary.

An enthusiastic Nicaragua meeting was

beld at Nashville on Tueeday evening. Speeches were made by Gov Brown, W. N. Bilbo, Hon. E. Ewing, and others. Among the resolutions adopted is the following:

\*\*Resolved\*\*, That we, the neighbors, frienda, and acquaintances of Gen. Wim. Walker, the distinguished chief of the Republican army of Nicaragoa, deem the present afto ccasson todelare our high appreciation of his qualities as a man, and to give expression to our heartfelt sympathy for the noble cause in which he is ergaged. Born, reared, and aducated in our midst, he base ever malotaned the character of an honest and honorable man. A graduate of the University of Nashville, and for several years a student at Parls, where he devoted himself to the acquisition of knowledge, bits indeed created endowments, his literary attainments, and varied knowledge, his mice repeal of houre, his distinguished gallantry and bis republican princidles, emineoily qualify him for the task of regenerating a people cursed with all the evils of a bad government, and conferring upon them the blessing of freedom and security mader the operation of wise and beneficeot laws. He left his home and beneficeot laws. He left his home haracter, and we who know him well, feel aure that whatever may be his future carreer, he will do nothing to tarnish the brightness of his farms.
